Docket Number (Optional)
3058.1000-024

At least one error upon which reissue is based is described as follows:

The broadening reissue application is filed in view of the error of not prosecuting method claims in the original application 08/841,502. Method claims 5-30 and 31-56 have been added. System claims 57-81 and 82-106 have also been added to correct the error of overly narrow system claims 1-4 of the original application.

(Attach additional sheets, if needed.)

All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant.

I hereby appoint the following attorney(s) and/or agent(s) to prosecute this application and transact all business in the United States Patent and Trademark Office connected therewith.
